

can't see.

I mailed the necklace - I finally
got the clasp open, but it is too
close a fit for me -

Well I'll close now I sure do
miss writing to June - I
find myself thinking "I'll write
that to her" - Then it flashes over
me how much I've lost, I
suppose Emery is still planning
here - for her birthday - She
would be happy - She always
wondered her family to like him
Maurice has bought a new
Mercury and is driving
home He's on the road now - He's
so enthused with Nutrilite - He

wrote Emery a nice letter
about June - Gertrude said they
hadn't heard from you or Marian.
Why don't you just send them a line?
I said Jim wrote about June & was just
all broken up to think she was gone - Well
aren't we all? Love Carrie

Dear Mildred - I got your letter &
the picture and the enlarging
sure makes them plainer - I can
recognize a few more than you
can - The fat girl at the left end
is Louise M. Emen & the fat one on the
right is Loma Bower & the one next to her
on the right is Dorothy Lunsell - It has
been so long I just can't make them
out & then the faces don't show so
plain - The 3 with their backs taken
are Ruth with the big ribbon bows in
her hair, then June with the little
short curls & Betty Bennett with the
jumper dress etc. How June would
love to identify each one - Mildred
by saying I felt "at ease" - I just
meant that I can look at it more
rationally and feel that God's will
has been done. I'm glad your rose
is growing - I got a letter from Marian
and she said they only meant it would
be nice for a bouquet to be put on

so big just like he was cut from an over size
for pattern. He is cute tho laughs all the time
pattern has no idea of visiting either - they
Rose Marie has expected them & yet - they kept you
knew you expected them here - they just flew in
no word - & the parents of them when they
& I had to wrestle up a lunch. I have been counting to
got to Marilyn's - It would have been a thing
I have sent one a card but I'll think of things
I have sent one a card but I'll think of things
entered their heads. They couldn't force
to talk about - you'd have been forced
Marian says the cardiograph is a big load off her
was pronounced perfect & its a big load off her
mind. I got my transcript of the services for June
I couldn't read it all at one time - my eyes
got flustered by tears & I

the altar on her birthday & nothing
beginning in the sermon about her -
Of course I'd have agreed to that
but I didn't understand - I just
might not get to go even - I have
only been once - & that was Easter
just now I have taken cold in my
throat - It sounds like a bullfrog
and Mildred I'm still having so
much company - & Pauline &
Ruth plan to come for Dec. Day - not
for any decorating - as their graves
are all in Lubique but because
Ruth has an extra day off & so they
just write their plans & that's
that - I still cling to the hope
that she would be able to make the
long trip - she had an operation
but it didn't do any good she
still coughs. & I can't bear to think
of it - but maybe it will all work out.
Cathie & the kids are here, down at
Mayberry - they have been up
once. Robert is more bratty than he
ever has been - but its just a phase
hes going through - Mark
